EYFS Knowledge & Skills Organiser Autumn - All About Me

We will be learning...

We are all Special. Special Person

Throughout the year each child will be chosen to be Special Person of the Week. Children will be asked to share things about themselves and things that are special to them. They will be asked to talk about themselves, their family, their likes and dislikes, and we can think about how we are all similar and different to each other.

You will be given notice when it is your child's turn to be our special person.

Merley, My school and My classroom

We will be finding Merley on a map, exploring our new school grounds and classroom and finding out where everything goes. We will be learning about the rules and routines of the class and learn how to be a good learner and what a good learner looks like.

Funky Arms, Doh Disco and Storycise

We will be getting physical in Funky Arms and Doh Disco building strength in our arms, shoulders, wrists and fingers.

We will also do Storycise (physical exercises through a story) to build our core strength. All ready to be a super writer.

Songs, Rhymes and Stories.

We will be singing some familiar songs and learning some new ones. We will sing familiar and learn new nursery rhymes and listening to lots of stories. All of these are really important in learning to read, so make sure you bring your listening ears with you and enjoy the fun.

Here are a few stories you will enjoy:
Starting School by Janet and Allan Ahlberg
Dash Dinosaur is starting school by A.Goss.
Superheros love starting school by Katie Button

Magical Merley Memories

Visits from people who help us in our community

People in our Community

We will learn about people who help us in our immediate family but also in our community.

We will think about how they support and help us and how we can support each other using our superpowers.
