

The Lantern
Church

This group is for parents, carers / grandparents to come along with their little ones (0 until school age) to have fun together and meet other local families.

We seek to support parents/carers during this vital stage of parenting. Throughout the year we may run parenting /marriage courses and a ALPHA course.

Time: 10:00- 11:30
Cost £1 per family
(Payment online every half term)

We enjoy lovely cakes every week, and we ask for people who come regularly to be put on a rota so we can all enjoy them together. When you are having your tea/coffee , please be careful of hot drinks.
(bring a travel mug)

Many of us are from The Lantern Church and believe that God is alive and active today and loves each of us. We would love to pray for you and your family – you can either write down your prayer request or talk to someone on team.
