

Magical Merley Memories

Reception

In Outdoor Adventurers the children enjoyed the awe and wonder of jumping in a big muddy puddle!

We went to visit the local post box to post our Christmas cards. The children were so sensible walking there and enjoyed looking at what time their card would be collected. They were so excited to post their surprise home.

Year 1

We have been very crafty this half term! We used lolly pop sticks to make snowflakes and we decorated them with felt tip pens, glitter and sparkles.

To celebrate Christmas with our friends and family outside of school we each made a card to take home. We painted our fingers and used them to decorate our bauble shape before sticking it to the card. Lots of mess but lots of fun too!

Year 2

In Autumn Two, we have been making Christmas cards for residents at the local nursing home. We wrote a Christmas message to put in the card, whilst thinking about others at this time of year. We wanted to spread some kindness to others.

Year 3

This term, Year Three performed our Christmas Carol Service to a live audience! We learned six different Christmas songs, some of them with actions too! The audience really enjoyed it, and joined in to sing 'Merry Christmas Everyone' at the end.

Year 4

In Autumn Two, Year 4 has been learning about how to hygienically prepare food and wash up. Alongside the knowledge they gained in DT, they learnt how to bake hygienically and safely using eggs and kitchen appliances. They were able to bake some delicious honey cakes which they had the chance to taste and evaluate in school! Yummy!
