

Dear Parents and Carers,

RE: Lighthouse Keeper's Picnic - Tuesday 23rd June 2026

As part of our Design and Technology (DT) learning, the children will be making their own sandwiches on **Tuesday 23rd June**, which they will then get to enjoy at our upcoming Lighthouse Keeper's Picnic! Please note that as this is just a small snack, the children will still eat their normal school lunch on the day.

We would absolutely love for you to join us for the event. If you are able to attend, please arrive at school for **2:30pm** at the Harrier Drive gate. The children are very excited to share the sandwiches and fruit kebabs they have made with you.

You are very welcome to bring along a picnic blanket and some small snacks for yourself and your child to enjoy. However, **please be mindful that we have children with severe allergies in school**. For this reason, all snacks brought from home must be **completely nut-free**, and we kindly ask that you do not share any food with other children.

Children who have an adult attending will be allowed to leave directly from the picnic at the end of the school day.

Please click [here](#) for our google form to RSVP and let us know if you are able to make it. This helps us ensure that arrangements are in place so that children who do not have an adult attending are fully supported and looked after during the afternoon.

We look forward to seeing many of you there for a wonderful afternoon!

Warm regards,

Year 1 Team
